The Everything Cooking for Kids Cookbook

"Pizza. Hot dogs..." Is it possible to get kids to eat anything else? For some parents, it seems like the battle just isn't worth it, but author and nutritionist **Ronni Litz Julien** helps you cook nutritious and delicious meals for kids of all ages. **\$128**

PARENTING

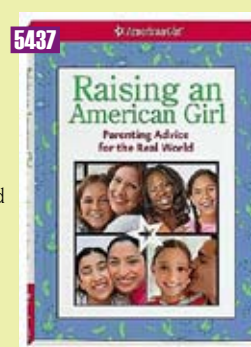

Your Baby and Child ~ \$247

We know a child's psychological development and well-being is just as important as any physical need. Here Penelope Leach brings together key new scientific evidence about the way infants think and react to their parents and the outside world. You'll get support and learn to trust your parenting instincts and gain the confidence to live by your baby and child, not by the book.
