

HARDCOVER NON-FICTION ~ AGES 4-14

If Stones Could Speak
Unlocking the Secrets of Stonehenge
 What are the secrets of the ancient stone circle? Were the carefully placed stones a burial site, an ancient calendar, a place of Druid worship... or even a site of sacrifice? The expert text, stunning photography, and explanatory maps and illustrations will all help young readers see this ancient monument in totally new ways, and inspire future generations of explorers. **\$144**

ages 8-12

Shipwrecks: Exploring Sunken Cities Beneath the Sea **ages 8-12**

For those who know how to interpret its secrets, a sunken ship has many tales to tell. The stories of the lives of those aboard its last voyage are revealed in the objects scattered around the shipwreck. Then there are the stories of the many ocean creatures that have found a home inside the broken hull. **\$152**
